Now it's an issue  
1973 The first black super star: Comedian Flip Wilson  
Now you are safe  
1974 Jack Nicholson: The Star with the killer smile  
The smile kills me when you tell me it's killing me  
1975 Rock's new sensation: Bruce Springsteen  
1976 Travel 76 Rediscovering America Flag  
Rediscovering America Flag through a Barbie doll?  
Rediscovering America Flag on a motorcycle?  
Rediscovering America Flag from the sunshine beach guy?  
If possible, I don't mind being an American Barbie doll.  
1977 Nixon Talks  
1978 Deal with China, Deadlock with Israel  
1979 Attacking America, Fury in Iran, Rescue in Pakistan, kill the American Dogs

Buddhist were writing American history  
1983 Nuclear Poker: The Stakes get higher and higher: America's Perishing  
1984 Now it's a race  
1985 Children having children: teen pregnancy in America

I hate reading about teen pregnancy

It's sad

It's filled with desire and lavishness and ignorance and cockiness and irresponsibility

Look at me, I talk like my daddy.

1986 Sorry America, your insurance has been cancelled

1987 When China Went Mad

1987 Bang

1987 Starting Over

1988 Magician of Musical, After the Triumphs of *Evita* and *Cats*, Andrew Lloyd

Webber brings *Phantom* to Broadway

He was famous much longer than 15mins.

1989 This man may turn you green with envy – or just turn you off. Flaunting it is the game, and Trump is the name.

Look at our boy, already a diva back then.

1990 Mandela: Free at last?

1991 The Russian Revolution

1992 Why voters don't trust CLINTON?

1993 Ascent of a woman

    Hillary Rodham Clinton is the most powerful First Lady in history.

    Does anyone have a problem with that?

Haters hate, history goes on

1994 Are MEN really that bad?

1995 Master of the Universe: Bill Gates

1996 The search for Jesus: What are Christians to believe?

1997 Bill Gates, thank you. "The world's a better place."

1997 Here comes my generation

1997 Allen was dead

He knew it all.
